

## OPINION EDITOR OF PLJ

**SUBMITTED BY:** Lynn E. MacBeth

The biggest change of the last year regarding reporting of opinions is that we are producing a larger volume of the bi-weekly opinions insert. The increase has been most significant and consistent over the last several months. The last issue, July 6, 2007, reported and abstracted eleven (11) full opinions and two (2) capsule summaries. In prior years, the average issue contained between four (4) and six (6) opinions. We have done this without any increase in staff or resources (to my knowledge). I will be seeking additional volunteers from the bar; however, because the workload is becoming noticeably heavier for me. If you know of anyone interested in joining the editorial staff to create headnotes (which are abstracts of the opinion), please let me know. Thank you.
