RE: 2007-2008 ACBA Sole & Small Firms Practitioners Section Council

Dear Mr. Blaner:

The Sole and Small Practitioners' Section had a very productive 2007-2008. The outgoing and incoming Chairs began the year with cocktail reception for Section members at the Bench-Bar Conference. We held monthly meetings at the Koppers building, featuring speakers on such topics as advertising ethics, website development, networking, alternative dispute resolution and office technology. We held a networking event which was attended by more than 30 members. We enjoyed two happy hour membership meetings, which attracted members who cannot attend noon meetings. We enjoyed a holiday reception at the HYP club.

A concerted effort was made to both attract new members and encourage existing members to participate in Section activities. Planning for 2008-2009, we continued to support these efforts.

Please call if you have questions, and please feel free to attend our events.

Sincerely,
Susan DiGirolamo
